TECHNICAL FEATURES

- Rapidly dissolves and absorbs grease and oil
- Removes automotive fluids
- Water-based formula
- Non-hazardous
- Low odour
- Non-damaging*
- Convenient and easy to use
- Rinsing not required

TECHNICAL DETAILS

Liquid impregnated fabric with powerful cleaning nodules

DIRECTIONS FOR USE

1. Open resealable lid. Slowly peel back the resealable sticker from pack and pull out wipe from pack.
2. Use wipe to clean surface. For heavy oil or tough soil deposits, use textured side and wipe up and down or in a circular motion. For porous surfaces, test suitability in an inconspicuous area before use.
3. Reseal the sticker and close the lid to keep remaining wipes fresh and ready for next use.
4. Dispose of used wipes in the rubbish bin.

LIMITATIONS

May not remove soils/grease that have penetrated into pores.

SAFETY DIRECTIONS

- Keep out of reach of children
- Avoid eye contact and prolonged skin contact
- Not for use on skin
- If any skin irritation occurs, discontinue use immediately.

*Non damaging to substrate being cleaned
